(THE UNIVERSAL APIARIES)

## You save ALL WAYS with the STOLLER *Slip-on* FRAME SPACER

Stoller Spacers fit over, or replace, any standard frame rest or tin rabbet. 16 styles and sizes.

Step up profits! Stoller's all-metal, lifetime spacer permits 7-comb spacing in 8-frame hives; 8 or 9 comb spacing in standard hives, and 9-comb spacing for Dadant hives. Made to fit shallow, deep or Lewis V Supers. Get more wax and honey with fewer frames and less work. Avoid mashed bees, poor spacing. Easy to install. Tested and approved by profit-conscious producers. Write for literature and prices.

**STOLLER** *Honey Farms* LATTY, OHIO

## The Heart of Comb Honey Is Foundation

The biting quality of the honey, that delicate center taste is foundation. It must become a part of the honey, so tender, a touch of the tongue will crumble it; yet be so strong that bees work it out quickly and easily. Dadant's Surplus Foundation, fragrant and pure, thin and sweet, blends naturally with your finest comb honey, that your market grades are better and sales are quicker.
